

Richard Wansor

Rich has a BFA from Parson School of Design in Sculpture, and is a self taught Blacksmith. Rich has been working for Graney Metal Design since 1998 but has been blacksmithing for 25 years. He lives in the Berkshire with his wife and 2 children.

Rich specializes in hand forging and repousse work in the shop. Every detail is done by hand and is very realistic.

Rich takes pride in making things look as real as possible.

Richard Wansor

Rich with the pheonix he made.
